

63. Children's Birthdays

A child's birthday is a highly important occasion to us here at La Petite Academy.

When it is your child's birthday we ensure that they are made to feel extremely special in recognition of their highly important day.

On their birthday and their arrival at La Petite Academy they will:

- be assigned the title of birthday prince or princess for the day
- be given a birthday crown to wear for the day
- be given a large birthday badge to wear which indicates their age
- get to sit on a specially made birthday throne for the day
- If parents wish to bring in a birthday cake with candles, we will sing happy birthday with the group and share the cake at a meal time.

If your child is not comfortable with this attention, we will offer an alternative way to celebrate according to their needs and interests.

Please note that we are not able to accommodate entertainers or special requests to hold a party on the day of your child's birthday due to the amount of children on role.
